Returned with compliments on
receipt of copy of the Comptroller's letter under
reference. I consulted the Deputy Commr &
Municipal Presidents of Bangalore and
Mysore on the points raised, and have received
replies from all except the Deputy Commr, Ho
in the Mysore. These allowances have not
been drawn except in the case of a ~~number~~ of
permanent officials put on food supplies war.
There is a consensus of opinion that district
debt establishments should be allowed to draw
from compensation and war allowances,
and are now being the only ones being
in district headquarters or compared with Mysore
places. A few of the Deputy Commr also urge
the granting these allowances in the case of
local debt establishments as well. In

On the whole, I would recommend (1) that the allowances already drawn by District & Municipal Dept. officers may be continued to them.

From 1st July 20
the new consolidated
will come into
effect - & this may be
seen from the 1915.

(2) In the case of taluk depts also, these allowances may be given from 1st July 1920, but depts. concerned may be instructed to fix the number & salaries of the hands employed, so that with these allowances, the cost of establishment may not exceed as follows:
Exceed 3 as a max. ^{falls on the ground of sales per month} If the sales are not less than 6 ~~lacs~~ a day, this would give Rs 33-12 per month, which would be sufficient for a clerk and a messenger. Where sales are less, and one hand could be employed; while, when sales are very low, it would be sufficient to give an allowance to one of the taluk officers. Where sales are in excess of 6 lakhs a day, the maximum establishment charge need not exceed Rs 40, including of allowances, except in special cases, in which a very fat should be obtained. Some such regulation appears necessary as I find that establishment

Chief Secretary to the Government of Mysore,

SIR

Adverting to your letter No.G.26558/PP.6-29-362 of the 27th ultimo, stating that it was not the intention of Government to supplement the salaries sanctioned for the establishment of the Bangalore City Municipal Grain Depot by any further allowances, I have the honour to state that as G.O.No.G.3625-36/PP.6-19-37 dated the 13th August 1919 prohibited the payment of Grain Compensation and War Allowances to the Taluk Depot establishments only, the allowances are being allowed in the case of District Depot and Mysore Municipal Depot establishments. The order now received has given rise to a doubt whether, in view of the Taluk and the Bangalore Municipal Depot establishments not having been permitted to draw war and grain compensation allowances, the same may be passed for the District and Mysore Municipal Depot establishments. I, therefore, request that orders of Government may kindly be obtained in the matter and communicated to me at an early date. Pending receipt of the orders, the payment of war and grain compensation allowances to the District Depot establishments from

from May 1920 has been deferred, and instructions issued to the
Mysore City Municipality for not drawing the allowances in futur

2. Chief Secretary's letter No. G. 26558/P.P. 6-19-362, dated 27th May 1920 to the Comptroller to Government, intimating that Grain compensation and war allowances are not admissible to the temporary establishments sanctioned for the food Depots in the Bangalore City.

3. Letter No. F. 207-9, dated 3/7th June, 1920, from the Comptroller to Govt stating that grain compensation and war allowances were being allowed in the case of District and Mysore Municipal Depot establishments and that pending orders whether the allowances may be continued, the payment of the same to them has been deferred from May 1920.

4. U.O. No. 162 of 9th July 1920 on the Food Canners in Mysore as the subject.

Order No.

2587-99 *9/28*

Government are pleased to direct that the allowances sanctioned in Govt. Order No. Fl. 449-98/S & A 23-20-1, dated 19th July 1920 on account of high prices may be given to all the District

and Municipal Depot establishments with effect from 1st July 1920. The grain compensation and war allowances withheld ~~for May and June 1920~~ in the case of the District and Mysore Municipal Depot - establishments may also be disbursed to them.

2. Government are further pleased to direct in modification of the order dated 13th August 1919 read above, that the high prices allowance may be given to all Taluk Depot establishments also, *with effect from 1st July 1920 -* But it is necessary that the number and salaries of the hands employed in these Depots should be revised with a view to keep the cost on establishments as low as possible. They consider that the establishment charges in these Depots including the high prices allowance should not exceed as far as possible 3 annas a palla on the average sales per month. In ~~the~~ Depots where the sales are not less than 6 pallas a day, the establishment charges according to this rate would amount to Rs. 33-12-0 per month which would be sufficient for a clerk and a measurer and in places where sales are low only one hand may be employed or an allowance given to one of the Taluk officials so as not to exceed the rate fixed above. Where sales are in excess of 6 pallas a day the maximum establishment charges should not exceed Rs. 40/- a month.

including the high prices allowance,
except in special cases under the order
of Government.

3. The Deputy Commissioners of
Districts ~~xx~~ are requested to take
necessary action to revise the establish-
ments of these Depots in conformity with
the instructions contained in the - -
preceding paragraph.

With reference to G.O.No.Fl.449-98/ S. & A.23-20-1 dated the 19th instant, sanctioning with effect from 1st July 1920 a consolidated allowance in lieu of the grain and war allowances sanctioned from time to time to all officials in receipt of a salary of Rs. 100/- and under, I have the honour to request that you will be good as to inform me if this allowance is admissible to the temporary establishments sanctioned for the several grain depots including the District Depots and the Municipal Grain Depot in the Mysore City. I make this reference as the payment of grain compensation and war allowances to the establishments of taluk depots has not been allowed in G.O.No. G. 3625-36/ P.P.6-19-37 dated the 13th August 1919 and No.G.26558/P.P.6-19-362 and G.119/P.P.6-19-386 dated the 27th May and 3rd July 1920 respectively. In this connection, I beg to invite kind reference to my letter No.F.20709 dated 3/7 -6-1920 enquiring if grain compensation and war allowances may be passed for the establishments attached to the District and Mysore City Municipal Depots.
